

REGATTA READY COACH

Flatwater North is seeking skilled, enthusiastic and self-motivated sprint canoe kayak coaches to guide our competitive athletes through the *Training to Train* and *Learning to Compete* stages of Canoe Kayak Canada's (CKC) Long-Term Athlete Development framework. The club has a growing group of 10-15 year old athletes who are dedicated to paddling, and participate in a full-day training program at the club. The main focus for the Regatta Ready coach is to introduce training habits and goal setting to our athletes by making things fun! The coach will also need to prepare these athletes for potential competitions and help build a positive culture of personal excellence at the club. It's our goal to have these young athletes be lifelong paddlers, by helping them achieve their personal goals.
