

# Welcome to Flatwater North

[www.flatwaternorth.ca](http://www.flatwaternorth.ca)

The Yukon is a wonderful place for people of all ages to canoe or kayak, offering a wide variety and some of the best paddling in Canada. The Flatwater Paddling North club is located on the scenic shores of Schwatka Lake on the Chadburn Lake Road. This sheltered nook provides calm waters for beginner paddles and for those who are ready for more of a challenge, Miles Canyon.

Flatwater North Sprint Club (FNS) Membership provides the following benefits to members:

- Attend FNS's CanoeKids Camps, Regatta Ready Program, Sprint Training Sessions and organized events, such as Yukon Championships Regatta
- Opportunities for athletes to improve their skills through training camps, trials, and championship regattas
- Athletes can participate in regattas in Whitehorse and in other jurisdictions under FNS
- Use FNS boats and equipment at FNS coordinated events
- Insurance for members for camps, training session and organized events
- Access to funding/programs from Sport Yukon and other bodies (e.g. Canoe Kayak Canada)
- Information through forums, educational materials, programs and resources for club and sport development

For a full list of our summer camps, summer and winter training sessions, and other hosted events, check out our website: [www.flatwaternorth.ca](http://www.flatwaternorth.ca).
